Use SAT NAV Post code DG7 2DT

Take the A75 East or West to Gatehouse of Fleet

From the A75 take the lane to Sandgreen (and Cream of Galloway Ice Cream Farm)

Stay on the lane passing the turn-off sign for the Ice Cream Farm until you come to a sharp right hand corner...with the sea in front of you

Take the track on the corner which is STRAIGHT ON to Carrick (following the road round to the right would take you to Sandgreen)

Carry on down the track...best to go steady as a little rough and narrow, although several pull-ins along the way for passing.

Follow the track passing cabins on your right including '**High Tide**'

Keep left on the Shore Road passing '**Driftwood**'

Carry on up the slope and around the corner passing '**Whimbrels**' and '**Whins**' on your left.

At the bottom of slope straight after '**Whins,**' and more or less in front of '**The Vital Spark**' take the **NEXT SHARP LEFT**turning almost back on yourself

Keep left and then straight on....

Pass '**Thelmas Mooring**' on your left and you will see '**Tigh Na Bruaich**' straight in front of you.

Welcome to Tigh Na Bruaich!
